Instructions

1) With scissors or an X-Acto knife, make slits along the 4 dashed lines under the hour and minute slots. See red arrows.

2) Cut out the two number strips and hands on the second page. Hole punch the hands.

3) Using a paper fastener, poke a hole in the center of the clock. Fasten the hands with the fastener making sure the hour hand is on top of the minute hand.

4) Slide the hour strip through the 2 slots so that only the hour shows. Same with the minute strip.

5) Now it's ready to use for games, assignments and activity centers!
